MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Survey of the Psychological and Paramilitary
Operations Staff, Deputy Director (Plans),
Reply to

REFERENCE: Inspector General's Report dated 21 July 1955

1. Reference survey report has been examined carefully by me and members of my staff. Comments upon the recommendations contained therein and upon certain elements of the section entitled "Scope, Objectives and Summary" are attached hereto. They are couched largely in the first person to emphasize my personal responsibility for them but they represent a consensus of the views of this staff.

2. I have generally refrained from comment upon matters outside my official jurisdiction and upon the body of the report. In this connection I wish to enter only a general reservation concerning the body of the report and state that I am prepared to discuss it as necessary.
